**Video Time:** 36 minutes

**Scripture Reference:** Revelation 7:9-11

**Video Summary:**

The unleashing of digital technology provided an opportunity for every disciple to play a part in the Great Commission. Indigitous is helping to bring the unchanging Gospel to a changing generation in a platform that is familiar to over 5.15 billion unique mobile phone users (GSMA Intelligence, 2020). Indigitous is also about reaching those spaces that are prohibited by pandemic, by government, by circumstances. It is where digital meets missional. Indigitous leverages every possible means to bring the Gospel to every nation, tribe, and people group. Join us as we learn how to engage in digital strategy both as individuals and a church community so that we can finish the task well.

**Instructions:** Watch the video till the end. Then, stop, split into groups of 3-4, and answer the discussion questions below.

#### **DISCUSSION QUESTIONS:**

1. More people in this world have a mobile phone than a toothbrush. What do you think that says about this generation and how we can use a mobile phone for God's glory?
2. How do we communicate the life-changing message of Jesus to our world and bring an unchanging gospel to a changing generation?
3. From the different stories about digital missions, why do you think the different ways of reaching out to people on the internet was effective?
4. What are ways that your church and you can be engaged in digital missions?
