“Putting Together The Pieces To Become A Sending Church” By Mark, Ben, and Jarod

All nations will be blessed, and a multitude from every nation, tribe, people groups and languages will worship Christ on into eternity. Eternity begins now in the hearts of His people, as His Whole Church unites to proclaim the Whole Gospel to the Whole World, which brings peace and the ministry of reconciliation to all people groups. Since God is fulfilling his redemptive purposes through His church, then how does the church become a sending church? Becoming a sending church is a process, and this process has various stages, such as evangelism, discipleship, leadership development, etc. The Compass isn't a method, but rather a framework to give us a direction in our ministry which allows us at each stage to consider: What is my strategy at this juncture? What is the next thing we need to be doing? What is currently our greatest need? The Compass is also a forum for pastors and leaders to get together and share how we work together to fulfill the Great Commission.

How do we help every brother and sister in our church have a heart that is wholly willing to share the gospel regularly? The Andrew Evangelism “Project” trains everyone in the Whole Church to have a burden for the lost by praying the “3 opens” for 5-6 lost people by name daily. After surveying thousands of believers on two continents, this project was developed to help brothers and sisters, who originally wouldn't share their faith, to learn to love as a Whole Person and follow the Holy Spirit in obedience. The lessons are designed to use God's Whole Word to change their heart as they develop a burden for the lost. Many thousands have come to faith through utilizing the Andrew Evangelism “Project”. It comes complete with 3 – 9 months of small group lessons depending on which version you select.

As His people regularly and boldly share the Whole Gospel, and churches become sending churches, then who will go? When the Whole Church unites in obedience to the Whole Word of God and joins in his redemptive purpose of all nations, tribes, people groups and languages worshiping Christ, He will call out His people to go in obedience. Hua Yu International Missions together with the Whole Church, provides the processes of selecting, supporting, training, and sending Asians cross-culturally. This is two months of pre-field missionary training in the Whole Gospel, and then twenty two months going cross-culturally to harvest fields in other nations for His redemptive purpose of reconciling God and man. God is already at work! Hua Yu International Missions missionary teams are received by experienced teams already working in the harvest fields and will provide more training and support. Hua Yu International Missions exists to make disciples of Jesus of all peoples and nations to the glory of God!
